EXECUTIVE SUMMARY

BACKGROUND

In accordance with Ordinance No. 10081-11, adopted April 23, 2011, this 2017 Annual Inclusive Procurement Program report is filed January 15, 2018 with the City of South Bend Common Council, and copies submitted to Mayor Pete Buttigieg, the City Controller, and the MBE/WBE Utilization Board.

The Diversity Development Program in its seventh year of operation has continued to work towards building strong and sustainable procurement program that continually provides equal opportunities and inclusion to local, regional and national minority and woman-owned business enterprises. The Diversity Utilization Board along with the Diversity and Inclusion and Compliance Officer, Director of Purchasing, Legal Department, and the Board of Public Works are the groups primarily accountable for the operation and management of the program.

RESULTS

The City of South Bend spent $101,702,744.20 on 5,715 purchase orders for fiscal year 2017. Of the total amount spent, $773,120 or .76% was awarded to MBE firms, and $1,122,451 or 1.10% of the total spend amount was awarded to WBE firms. Combined, the total MBE/WBE spend amount of $1,895,571 accounts for 1.86% of the total procurement spend, marking a .06% improvement from fiscal year 2016.

The City of South Bend had a total of 1,349 vendors. A total of four certified MBE's, and one uncertified MBE were awarded contracts across four quarters, with only one firm, DLZ, posting spend amounts in the "greater than" $75,000 spend matrix band in two of the four quarters, but represented in all four quarters for spend amounts above $2,500. Four of the five MBE firms were located in Indiana, with one MBE firm certified through the federal Small Business Administration (SBA) was located nationally (California).

The City of South Bend awarded twenty WBE firms across four quarters with the majority posting spend amounts in the "less than" $2,500 spend matrix band. However, WBE firms had representation in all spend matrix bands, including "greater than" $75,000 in quarter three, and two firms represented in the "greater than" $75,000 in quarter four. Premium Concrete and Ritschard Bros. posted the largest spend amounts across four quarters in the "greater than" $75,000 spend matrix band. While 80% of the MBE firms were located in Indiana, 20% came from both regional and national locations.

According to IDOA, the number of offered MBE commodities by South Bend firms decreased slightly, losing five Hispanic (six in 2016 to one in 2017) and five African American commodities (seventeen in 2016 to twelve in 2017), while increasing the number of WBE commodities for Caucasians by five (ninety-nine in 2016 to one hundred four in 2017). Additionally, there may be a number of MBE/WBE firms that are currently not certified through IDOA, but doing business with the City of South Bend. Upon review and analysis of FY '17 data, we found one such minority owned firm—Sanco Distributing. Based on our data analysis, roughly 55% of all vendors are located within Indiana, but 45% of all awarded vendors are regional or national vendors. As such, we may have an opportunity to identify

MBE/WBE's that are registered through other certifying agencies like Mid-States Minority Supplier Development Council, SBA 8(a), SBA-WBE, SBA-MBE, SBA HUBzone, SBA-VBE, National LGBT Chamber of Commerce, WBENC, City of Indianapolis, and other regional and national certifying agencies that have vetted and approved those firms to do business at the local, state or national level.

The Future

Internally, the City of South Bend Purchasing Department is finalizing an organizational redesign to centralize bulk purchases for better pricing and process efficiency; reducing the number of city "buyers" across departments and units from over 150 individuals to fewer than 25. The City of South Bend has also hired a Director of Purchasing, who will partner with the Diversity, Inclusion and Compliance Officer to support the goals and vision of the Ordinance, Mayoral Executive Order, and Diversity Utilization Board recommendations.

South Bend will continue to partner with IDOA to co-host the North Central Indiana Business Conference for Minority and Woman-Owned Small Businesses which provides local and regional business owners exposure to best practices, networking with procurement leadership from major organizations, and financial resources for business stabilization and scaling. We will continue to partner with Latin American Chamber of Commerce and expand outreach through SCORE to support local business development for emerging underrepresented and severely underrepresented populations in our procurement processes.

South Bend will explore opportunities to identify other certifying agencies whose vetting requirements meet or exceed IDOA requirements and thus expand our list of viable MBE/WBE firms for local, regional and national invitations to bid, quote or otherwise contract for procurement opportunities with the City of South Bend.

MBE UTILIZATION

The City of South Bend utilized a total of 4 certified MBE firms during the 2017 FY. However, based on a review of the 1349 total vendors, there may be additional minority-owned firms that do business with the City of South Bend, but currently are not certified through IDOA. This report includes one such firm, Sanco Distributing, as an example in the MBE utilization by quarter spreadsheet below.

During quarter one of this year, COSB utilized one MBE firm in the "greater than $75,000" spend matrix band, with no firms represented in the "less than" $2,500, $2,500 to $9,999, $10,000 to $24,999, or $$25,000 to $74,999 spend matrix bands. Quarter two also only had one MBE firm represented which fell in the $2,500 to $9,999 spend matrix band, with all other categories having no MBE firm representation. Quarter three also posted only one MBE firm in the "greater than" $75,000 band, with no representation in any other spend matrix band. However, quarter four saw in increase of MBE firm representation in multiple bands for a total of four MBE firms represented in all bands except $2,500 to $9,999. One MBE firm, DLZ is represented in all four quarters.

MBE AND WBE BUSINESS DEVELOPMENT, OUTREACH AND ENGAGEMENT

For fiscal year 2017, the city of South Bend co-sponsored the North Central Indiana Business Conference at Saint Mary's College in collaboration with Indiana Department of Administration. The conference brought together local business lenders, procurement directors from major organizations in the South Bend metro area, women and minority business owners, SPARK, and more to share best practices and learn how to do business with local organizations, financial support programs available to small business owners, and opportunities for small business mentorship for organizations that are interested and ready to scale up business.

South Bend also re-established partnerships with Mid-States Minority Supplier Business Development Council, Small Business Association-WBE, MBE, 8a Small Business Development, HUBzone certification, Veteran, WBENC, City of Indianapolis, and ThomasNET expanding our available list of certified MBE and WBE to over 35,000 new firms regionally and nationwide.

Our partnership with Latin American Chamber of Commerce hosted four cohorts of local aspiring and existing MBE/WBE's where organizations like Reliable Roofing have scaled their business—adding jobs, hiring local residents and increasing their revenue while supporting our local economy. For residents that prefer to engage online, the city of South Bend has partnered with Government Procurement Innovators for Small Business Development. GPI offers three separate tracks for ambitious aspiring, established, and advanced business owners the opportunity to learn the ropes of federal contracting, while stabilizing their business financially and preparing for expansion.

The city of South Bend also established a Small Local Business MWBE Newsletter for outreach that keeps local small minority and women-owned businesses connected by sharing best practices, legal updates to procurement, and other pertinent industry news.

South Bend looks forward to expanding our list of minority and women-owned certifying agencies to include the National LGBT Chamber of Commerce certification for LGBTE firms, as well as Disabled Veteran's certification. South Bend also looks to expand its minority and women business development programs by partnering with SCORE to provide a business incubator program for targeted populations with special needs.

CITY OF SOUTH BEND SPEND

The city of South Bend spent $101,702,744.20 on a total of 5,715 purchase orders for FY 2017. Overall, the largest amount of purchase orders (4,551) are posted in the “less than” $2,500, with the average amount of those purchase orders between $615 and $645 for a total of $2,860,459 or 2.8% of the total procurement spend for FY 2017. However, the “greater than” $75,000 spend matrix band accounts for only 155 purchase orders, but the average purchase order amount is between $332,838 and $819,935 for a total of $84,250,546 or 82.8% of the total procurement spend for FY 2017.

The total amount of MBE spend for fiscal year 2017 was $773,120 or .76% of the total spend amount of $101,702,744. The total WBE spend for fiscal year 2017 was $1,122,451 or 1.10% of the total spend amount of $101,702,744. Combined, the total MBE/WBE spend amount of $1,895,571 accounts for 1.86% of the total procurement spend, marking a .06% improvement from fiscal year 2016.

TWO AND THREE YEAR COMPARISONS

In order to assess the City of South Bend's progress towards a more inclusive procurement process, this report reviews the two and three year comparisons of the number of available IDOA certified MBE and WBE firms within St. Joseph County, the total number of purchase orders issued in a fiscal year, the total spend amount in a fiscal year, and the total spend versus the MBE/WBE spend comparison.

St. Joseph County saw a decrease in the number of MBE business services, goods or consulting services certified through IDOA, with five fewer Hispanic MBE/WBE commodities in 2017, and a dip in African American MBE/WBE commodities from 17 in 2016 to 12 in 2017. However, according to IDOA, the number of Caucasian WBE commodities offered rose from 99 in 2016 to 104 in 2017 in St. Joseph County.

CITY OF SOUTH BEND PURCHASING PROCESS SUMMARY

The procurement of supplies, equipment and services is governed by the City of South Bend Purchasing Policy (attached). Pricing for supplies, equipment and services is obtained according to a matrix (Bid Matrix) of the total cost. The Bid Matrix (attached) dictates the quote or bid process to be followed and the approval levels required for purchasing approval. Exceptions are made for Special Purchases as defined by Indiana Statutes. An emergency purchase is an example of a Special Purchase situation.

1. Obtaining Quotes
    a. For purchases under $74,999, quotes are obtained from vendors specified by the City of South Bend Departments requiring the respective supplies, equipment or services. The following requirements apply;
        i. Purchases between $25,000 and $74,999 require a formal quote process which includes the completion of the Quote Package (attached)
        ii. Purchases under $25,000 requires a simple quote process as defined in the Bid Matrix. These written quotes can be obtained thru phone requests, email request of written requests.
2. Evaluating Quotes
    a. Simple quotes are first evaluated for content to assure that they represent the items or services required at the correct terms and conditions specified by the department. Simple quotes are sorted by price and awarded to lowest price.
    b. The Formal Quotes are opened at a public Meeting by the Board governing the Department. Formal Quotes are evaluated by the City of South Bend Legal Department to assure the required forms are completed correctly. If the appropriate forms were not correct or were omitted, and/or quoting instructions were not followed, the quote is considered non- responsive. Responsible, responsive quotes are tabulated with the award given to the lowest cost.
3. Obtaining Bids
    a. Purchases of $75,000 or more require a formal bid process that includes public advertising of the items or project. A sample bid package is attached.
4. Evaluating Bids
    a. The bids are opened at a public meeting by the Board governing the Department. Bids are evaluated by the City of South Bend Legal Department to assure the required forms are completed correctly. If the appropriate forms were not correct or were omitted, and or bidding instructions were not followed, the bid is considered non-responsive. Responsible, responsive bids are tabulated with the award given to the lowest cost.

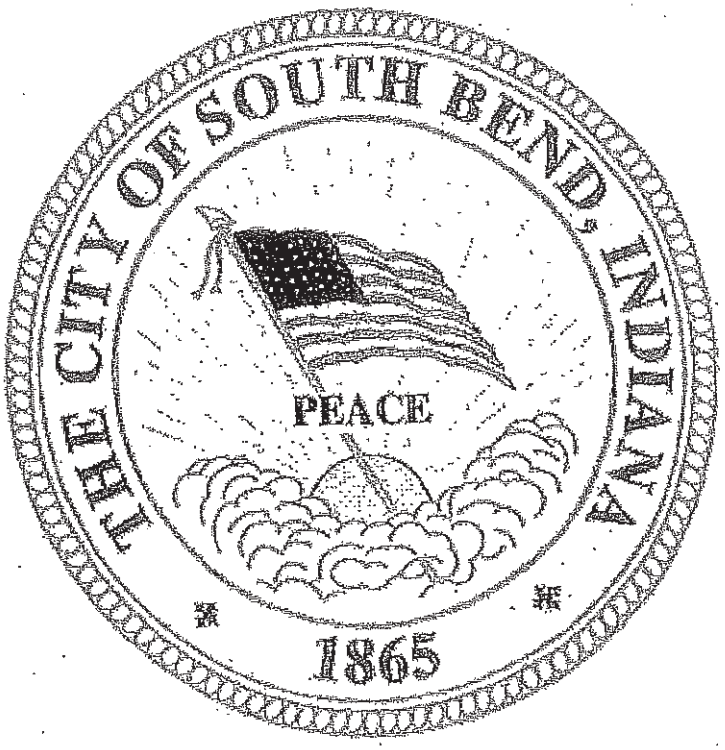
PURCHASING POLICY

IDOA CERTIFIED MBE/WBE FIRMS



DEPARTMENT OF ADMINISTRATION & FINANCE
PURCHASING POLICY
EFFECTIVE JANUARY 1, 2010

I. INTRODUCTION

All purchases for goods and services will be made in conformance with the Indiana state law, City of South Bend ordinances and resolutions, and administrative regulations established by the Board of Public Works and the City Controller.

These policies and procedures are intended to serve as a general guideline to all City departments to promote competitive, efficient purchasing while providing necessary accountability. The "Public Purchasing Law" applies to *every* expenditure of public funds by a governmental body, unless specifically exempted in Indiana Code §5-22. *See* Indiana Code §5-22-1-1. These policies are not intended to govern purchases related to public works projects[1] governed by Indiana Code §36-1-12.

II. PURCHASING RESPONSIBILITIES AND FUNCTIONS

A. The Purchasing Manager will facilitate efficient legal purchasing practices within the City and will assure that this policy is followed in the procurement of goods and services.

B. The Purchasing Manager will develop and administer purchasing policies, consolidate common purchases, coordinate purchasing procedures, develop and maintain bids/proposals/quote information in conjunction with the Board of Public Works, conduct bid analysis, report recommendations to the City Controller, and promote the use of Central Services, State Quantity Purchase Agreements and purchasing cooperatives where applicable.

C. The functions of the Purchasing Manager include the following:

1. Acquire informal price quotations via telephone, formal written quotations, sealed bids and proposals pursuant to established policy. Price quotations are acquired in cooperation with the requesting department depending on the technical level of the item or service requested.

2. Prepare or assist in preparing technical written specifications of requests for written quotations and bids/proposals. Work in conjunction with the Board of Public Works, where applicable.

3. Consolidate common items used by several departments when processing quotes, bids and proposals.

[1] A public work means the "construction, reconstruction, alteration, or renovation of a public building, airport facility, or other structure . . . [including] the construction, alteration, or repair of a highway, street, alley, bridge, sewer, drain, or other improvement that is paid for out of a public fund or out of a special assessment." Indiana Code § 36-1-12-2. The term also includes any public work leased by a political subdivision under a lease containing an option to purchase. Id.

4. Conduct meetings with sales representative that may be accompanied by department personnel. Report the results or the information received to the requesting department.

5. Prepare formal bids/proposals, conduct pre-bid meetings, open informal quotes and assist the Board of Public Works in opening formal requests, prepare tabulations and process recommendations of awards assisted by requesting departments for approval.

6. Receive and evaluate Purchase Requisitions for compliance with policy and procedures, and issue Purchase Orders accordingly.

7. Maintain a library of State and other government contracts to assist in obtaining the best available pricing.

8. Assist the Board of Public Works in acquiring a list of surplus items to sell or auction and properly dispose of unsold items.

III. GENERAL PURCHASING POLICIES

A. Purchase Orders will be approved and processed by the Purchasing Manager and Central Services, where applicable.

B. All purchases require a Purchase Order regardless of funding sources except in select circumstances where "direct pay" is authorized. See Section IV paragraph E for discussion of direct pay process.

C. Purchase Orders will be processed, at a minimum, on a weekly basis. In the event, the City may receive a purchase discount the Purchasing Manger must be notified immediately by the department requesting the purchase so that the Purchase Order may be processed in a timely manner to receive such discount.

D. Purchase Orders are to be obtained **before** the item is purchased. Funds must be appropriated and available for expenditure prior to obtaining a Purchase Order or awarding a contract (IN State Board of Accounts manual). Purchase requisitions submitted with insufficient funds will result in an over budget error. Over budget errors must be reviewed and action plans to correct the situation must be approved by the City Controller and implemented.

E. Emergency Purchase Orders will be approved by the Purchasing Manager once an emergency need has been established. An emergency is described as a situation that results in a threat to public health, welfare or safety or a disruption to an essential service.

F. All purchases will be made at the lowest and best price when the items, quality and services are the same.

G. Purchase Orders must be attached to the invoice for payment processing.

H. The Purchasing Manager, in consultation, with the departments will determine an appropriate list of vendors.

I. Minimum specifications on items to be purchased will be jointly developed by the Purchasing Manager and the department requesting the item.

J. Quantity purchases will be made whenever practical. Annual contracts or price agreements will be initiated by the Purchasing Manager when it proves advantageous to the City. Consolidated purchases of similar items for several departments will be encouraged to save money, and processing time of purchase orders. Further, standardization of items purchased will be pursued to the extent possible and practical to further increase the volume purchasing advantages to the City.

K. The Purchasing Manager shall utilize existing State or Federal Government contracts and Purchasing Cooperatives agreements that conform to all applicable local laws and ordinances, if deemed in the best interest of the City.

L. City departments receiving purchased items shall certify that the requested items **have been received according to quantities and to specifications.** The departments must notify the Vendor of any discrepancies immediately, and document the discrepancies for Purchasing and Account Payable purposes.

M. All information technology requisitions will be reviewed in conjunction with the IT Director for all City departments regardless of funding sources (i.e. general, non-reverting; federal or state grants, etc.).

N. The Purchasing Manager, where it is in the best interest of the City, will enter into annual price agreements with suppliers for those supplies and materials used by the various departments throughout the year. **Price agreements may result from both the bid process and request for quotations.** The Purchasing Manager will notify all City departments of the agreement, and the ordering process. Purchasing will review requisitions to insure that items covered by **bid awards** and **price agreements** are purchased from the applicable vendor.

IV. METHODS OF PROCUREMENT OF GOODS AND SERVICES

A. Purchase Requisition

1. A Purchase Requisition (PR) is entered via the computer system and automatically assigned a reference number. PRs are required for all items not of an emergency nature. A PR is **NOT** an authorization to purchase goods or services; it is only a *request* for a Purchase Order and, therefore, cannot be used as a purchase order to obtain goods and services.

2. The PR for needed goods and services is initiated at the department level, approved at the department level and subsequently submitted to the Purchasing Manager for final approval and processing into a Purchase Order (PO).

3. Each department must designate individual(s) responsible for preparing and approving requisitions within their respective department. Proper internal controls dictate that these duties must be separated. It is expected that a

management level person will have final approval of departmental purchases before submitting to the Purchasing Manager. The Purchasing Manager will check all requisitions for proper departmental approval.

4. To add a new vendor or make changes to an existing vendor, a Vendor Maintenance form shall be completed and submitted to the Purchasing Manager and the City Controller for review and approval. Approved forms along with a completed W-9 will be forwarded to Accounts Payable for entry into the vendor data base. A supplier must be entered into the data base before a purchase requisition or purchase order can be created or payments made. No commitments should be made until the vendor record has been created, a requisition approved and a purchase issued.

5. The following information must be completed on all requisitions, where applicable:

   a. **Item Description**
   b. **Quotes**
   c. **Part Number (for future reference)**
   d. **Account Number**
   e. **Commodity**
   f. **Project Number**
   g. **Sub Commodity**
   h. **Quantity**
   i. **Unit Cost**
   j. **Ordering UOM (Unit of Measure)**
   k. **Board / Contract Approval Date**

6. The Purchasing Manager will review all requisitions for completeness and accuracy. The Purchasing Manager reserves the right to change the vendor and/or prices to conform to bid awards or pricing agreements negotiated. Further, the Purchasing Manager may request that items available in Central Stores be requisitioned from Central Stores only.

B. Purchase Orders

1. A purchase order (PO) is a signed, numbered document authorizing an employee to purchase goods or services. POs are the result of the authorized PR.

2. The Purchasing Manager will review the PR for compliance with established polices to determine the following:

   a. If the proper quotations listed are provided;
   b. If the description is adequate;
   c. If the item(s) is(are) on an existing bid or contract and if the bid or contract is listed ;
   d. If the PR must be converted into a formal bid/proposal;
   e. If an emergency purchase order was requested it is listed in the PR;
   f. If the PR is a confirmation of an order already placed;

g. If the account information is correct;
h. If the authorization of the PR has been made by a department manager;
i. If the low quote is not the chosen quote, the reason(s) for the selection is stated and is it acceptable;
j. If the quotations listed are recent and are they properly documented;

3. When all items have been properly determined and no further clarification is necessary, the Purchasing Manger will authorize a PO.

4. All departments will receive copies of their respective POs. Each department shall attach a copy of the PO to the invoice for payment processing.

5. POs may be increased or decreased from the original amounts with proper approval. All change orders to formally bid contracts must be approved by the board letting the contract. Informally quoted or bid item change orders must be approved by the Purchasing Manager.

6. Invoices shall match the description, quantity, and price on the PO. Departments will be allowed to receive an invoice that is no greater than 110% of the original price agreement. Invoices greater than 110% of the PO amount require the Purchasing Manager's approval. Accounts Payable will review all invoices against purchase orders for consistency and accuracy.

7. Departments are responsible for checking the issued PO for errors and/or discrepancies. These should be brought to the attention of the Purchasing Manager immediately so that a corrected PO may be issued.

8. Outstanding POs will be reviewed quarterly by Purchasing (Open Purchase Order Report). Departments will be consulted on POs outstanding over 90 days old as to whether or not the PO should be closed.

9. POs will be allowed to carry over into the ensuing budget year only if the intended work isn't expected to be completed and/or billed by the year end. All carry over POs require the approval of the City Controller.

C. <u>Emergency Purchase Order</u>

1. An Emergency Purchase Order (EPO) is issued in the event that a situation creates a threat to public health, welfare, or safety or a disruption of an essential service to a City department. The Purchasing Manager is the only personnel authorized to issue an EPO and should be contacted by a *department fiscal officer* as soon as possible for a reference number. In the absence of the Purchasing Manager, the City Controller or Board of Public Works may approve EPOs at their discretion.

2. The issuance of an EPO may not be used as a substitute for the normal PO process. The department should submit a PR with the authorized EPO

number so that proper documentation exists regarding the transaction. The PO is required to be attached to the invoice for payment.

3. Emergency purchases are NOT to be used for every day purchase of goods and services. Poor planning, overlooked requirements, miscalculated projections are not in and of themselves substantial causes for the issuance of an EPO. EPOs will generally be reviewed by the Purchasing Manager but may be periodically reviewed by the City Controller. Abuses of emergency EPOs may signal other issues in the department and will be brought to the attention of the Department Head immediately.

4. Departments needing EPOs outside of normal City operating hours (8:00 a.m. to 5:00 p.m. Monday-Friday) will need to exercise professional judgment in determining if the purchase meets the criteria for an emergency. In the event the purchase is necessary, the department must contact the Purchasing Manager on the next available business day for a reference number.

D. Blanket / Value Purchase Orders

1. A Blanket Purchase Order (BPO) or Value Purchase Order (VPO) establishes a defined line of credit with a vendor for a specific period of time. Blanket orders are used for items with different commodity / sub commodity codes and value orders are used for items with the same commodity / sub commodity codes. The intent is to allow City departments a mechanism to avoid the use of EPOs or the issuance of numerous purchase orders for small value items of a miscellaneous nature. They may also be used for items that have continuous multiple payments for the year, such as utilities.

2. Blanket purchase orders will **not** be issued in excess of written contract or bid amounts or as a means to avoid the normal purchase order process. All BPO / VPOs will be closed during December of each year on a date specified by the Department of Administration & Finance as part of the year end closing process.

3. Departments must still obtain quotes between vendors when using a BPO / VPOs if competition is available and the purchase order value is over the established dollar thresholds detailed in Section V.

4. Value orders for utility payments will be issued for an amount based on prior year expenditures.

5. Bid, quoted, or contract goods and services will be issued a BPO / VPO for an appropriate *not to exceed* amount based on the bid, quote or contract price.

6. The Purchasing Manager will review BPOs / VPOs on a regular basis for compliance with this policy.

E. Direct pays

1. A direct pay may be used in circumstances such as travel reimbursements, legal settlements, real estate closings, credit card transactions, taxes, etc. These payments are considered to be occasional or irregular as to vendor or amount. Direct pays may also be necessary during year end closing process.

2. Direct pays may not be used to circumvent the normal purchase order process. Accounts Payable will be required to obtain approval of the City Controller for all direct payments.

F. **Sealed Bids/Quotes/Proposals**

1. A formal sealed bid, invitation for quote, or request for proposal (RFP) are procedures that results in a purchase of goods or services by a PO or a contract.

G. **Request for Qualifications**

1. A request for qualifications may (RFQ) be used at the discretion of the Purchasing Manger to invite qualifications of vendors for proposed purchases of a good or services that may require a certain level of expertise due to the complexity of the item or service being purchased. A RFQ may precede bids, quotes or an RFP.

H. **Special Purchasing Methods**

1. Under certain conditions, a purchasing agent may make a purchase under IC 5-22-10 without soliciting bids or proposals (IC 5-22-10-1). Indiana Code IC 5-22-10 provides that for a special purchasing method to occur, one of the City's purchasing agents (the Purchasing Manager, City Controller or the Board of Public Works) must determine in writing the basis for the special purchase. A record listing of all contracts made under IC 5-22-10 must contain the contractor's name, the amount and type of each contract, a description of the items purchased and the basis for the special purchase.

2. The Purchasing Agent must keep the determination on file for no less than five (5) years. Pursuant to Common Council Resolution 2690-98, the Board of Public Works or a departments approving body must approve special purchase expenditures over $50,000.

I. **Central Stores**

1. Central Stores provides a City wide stores operation to supply the various departments with needed supplies at the best possible price. Supplies are procured through a competitive bidding process allowing the best possible pricing level taking into account City wide volume. Supplies typically on hand include office, janitorial, maintenance and first aid items.

2. The Purchasing Manager and City departments will obtain supplies from Central Stores first before procuring on the open market. Items that may be purchased through Central Stores will not be purchased through other vendors. The Purchasing Manager reserves the right to disallow purchases from outside vendors in the event Central Stores can fill the order.

3. Any item obtained from Central Stores that needs to be returned or doesn't meet quality standards or expectations should be brought to the attention of Central Services immediately. City departments should contact Central Services if they have items they would like to have available through Central Stores. The Purchasing Manager and Central Services will regularly review inventory to determine which items will be kept in stock.

J. Equipment Services

1. Equipment Services Department provides fleet maintenance services for all City vehicles and related equipment including Police, Fire and Public Works specialized equipment. All City vehicles and related equipment will be maintained and repaired by Equipment Services. Electronic communication and vehicle attachments will also be handled by the Equipment Services Department.

2. Requests for purchases of all new or used vehicles and related equipment must be routed through Equipment Services. Equipment Services and the Purchasing Manager, in conjunction with the requesting departments, will develop vehicle and equipment specifications and prepare necessary bid documents. To establish the best pricing, requirements from all City departments will be combined and consolidate bid packages will be prepared and submitted to the Board of Public Works for advertising.

3. Equipment Services will prep all new equipment and also assist in the de-commission of obsolete vehicles and equipment. Routine preventative maintenance and repairs will be performed per the Fleet Management policy available from Equipment Services.

K. Credit Cards

1. The City Controller is responsible for authorizing City credit cards. Department Heads are responsible for the use of their credit card in conformance with the City purchasing policy.

2. At this time, City credit cards may be used for travel purposes only. Other goods and services may **not** be procured with City credit cards, unless authorized by the City Controller.

3. Under no circumstances, is the card to be used for personal purchases or to bypass the normal accounting system. Misuse of a City credit card could be grounds for immediate dismissal and personal payment of unauthorized purchases.

V. COMPETITIVE BIDS, QUOTES, AND PRICE CHECKS

A. Purchases of goods $75,000.00 or more.

1. Must be handled through the formal bid process and require legal advertising. Indiana Code §5-22-7.

2. Requests for bid purchases are submitted to the clerk of the Board of Public Works. The clerk should be contacted in a sufficient amount of time to facilitate completion of all necessary paperwork required by law.

3. The Board of Public Works is responsible for final award or rejection of any bid under this category.

B. Purchases of goods $25,000. or more but less than $75,000.

1. Will be procured through the "formal" quote method.

2. The Purchasing Agent will issue written invitations to quote to at least three (3) vendors known to deal in the supplies to be purchased. Indiana Code 5-22-8-3.

3. The invitation to quote with Specifications or Scope of Work shall be mailed at least seven days before the time fixed for receiving quotes. Indiana Code §5-22-8-3.

4. Written quotes must be submitted to the departments approving Board on or before the date and time specified in the invitation to quote.

5. The departments approving Board opens all quotes received by the date and time specified and awards contract to the successful vendor based on department review and recommendations.

6. The written quotes shall record the item quoted, date, vendor, price and name of the person giving the quote. This information must be entered on the requisition and kept on file for no less than two years by the purchasing manager.

7. If there are no responsive or responsible offerors', the Purchasing Manager may purchase the items without further bidding. Indiana Code §5-22-10-10.

C. Purchases of goods $10,000. or more but less than $25,000.

1. Common Council Resolution 2690-98, allows the Purchasing Manager or City Controller to purchase supplies with an estimated cost of less than $25,000 on the open market without inviting or receiving quotes. Nevertheless, the City Controller and the Purchasing Manager herein establish that all purchases for goods $10,000 or more but less than $25,000 require at least three (3) informal quotes, either written or verbal.

2. The quotes shall record the item quoted, date, vendor, price and name of the person giving the quote. This information must be located on the requisition and kept on file for no less than two years by the purchasing manager.

3. The Purchasing Manager reserves the right to obtain further quotes as deemed necessary for competitive pricing and efficient purchasing.

4. If, for any reason, the Purchasing Manager deems it inappropriate to invite or receive quotes, the Purchasing Manager must utilize Central Stores, unless the desired supply can't be procured through Central Stores. Common Council Resolution No. 2690-98

D. Purchases of goods $2500. or more and less than $10,000.

1. Common Council Resolution 2690-98, allows the Purchasing Manager or City Controller to purchase supplies with an estimated cost of less than $25,000 on the open market without inviting or receiving quotes. Nevertheless, the City Controller and the Purchasing Manager herein establish that all purchases for goods $2500 or more and less than $10,000 require at least two (2) informal quotes, either written or verbal.

2. The quotes shall record the item quoted, date, vendor, price and name of the person giving the quote. This information must be located on the requisition and kept on file for no less than two years by the purchasing manager.

3. The Purchasing Manager reserves the right to obtain further quotes as deemed necessary for competitive pricing and efficient purchasing.

4. If, for any reason, the Purchasing Manager deems it inappropriate to invite or receive quotes, the Purchasing Manager must utilize Central Stores, unless the desired supply can't be procured through Central Stores. Common Council Resolution No. 2690-98.

E. Purchases of goods less than $2500.

1. Common Council Resolution 2690-98, allows the Purchasing Manger or City Controller to purchase supplies with an estimated cost of less than $25,000 on the open market without inviting or receiving quotes. The City Controller and Purchasing Manager, herein, establish that purchases less than $2500. do not require written or verbal quotes.

2. The Purchasing Manager reserves the right to obtain quotes as deemed necessary for competitive pricing and efficient purchasing.

3. The Purchasing Manager must utilize Central Stores, Purchasing Cooperatives or State Quantity Purchase Agreements for all such purposes, unless the desired supply can't be procured through those sources. Common Council Resolution No. 2690-98.

E. Purchase of Services

1. Services means the furnishing of labor, time, or effort by a person, not involving delivery of specific supplies other than printed documents or other items that are merely incidental to the required performance. Indiana Code §5-22-2-30.

2. Services may be purchased using any procedure the governmental body or the purchasing agency of the governmental body considers appropriate. Indiana Code §5-22-6-1. This may include Request for Proposals (RFP), Request for Qualifications (REQ) and informal verbal or written quotes.

3. However, under this policy competitive pricing must be solicited, whenever possible, for services that are routine in nature and where several potential sources exist. Examples include, but are not limited to, preventative maintenance contracts, pest control, building maintenance and repairs, security, towing and testing services. These types of services do require quotes and simple written agreement defining the nature of service to be performed and the price to be charged.

4. Competitive pricing may not be applicable to those services that are professional in nature with single or limited number of potential sources. Examples of professional services include, but are not limited to, engineering and design, architectural, consulting, information technology and legal expertise.

5. The City Purchasing Manager reserves the right to require competitive pricing where services are routine in nature.

6. The State Board of Accounts Manual for Cities and Towns clearly states that payments made or received for contractual services should be supported by a *written* contract. The Purchasing Manager will review PRs that are contractual in nature for evidence of a written contract.

7. The City Controller will review the financial terms of all professional service contracts. Departments should forward to the Controller after legal review and in advance of Board approval.

8. **All written contracts are to be reviewed by the appropriate City Attorney and signed by the department's approving board.** An approving board may authorize an employee to sign contracts on behalf of the board. Otherwise, employees may not sign contracts obligating the City. Contracts signed by employees without appropriate legal, Board, and Controller approval are considered unauthorized. POs will not be issued for such contracts.

9. No City agency or department may purchase legal services or initiate contact with potential service providers of legal services. All such initiations or contacts must be made by the City Attorney. *See* Common Council Resolution 2690-98,

Contractor's documentation of enrollment and participation in the E-Verify Program is included and attached as part of this bid/quote; and

5. Contractor shall require his/her/its subcontractors performing work under this public contract to certify that the subcontractors do not knowingly employ or contract with an unauthorized alien, nor retain any employee or contract with a person that the subcontractor subsequently learns is an unauthorized alien, and that the subcontractor has enrolled in and is participating in the E-Verify Program. The Contractor agrees to maintain this certification throughout the term of the contract with the City of South Bend, and understands that the City may terminate the contract for default if the Contractor fails to cure a breach of this provision no later than thirty (30) days after being notified by the City.

6. Persons, partnerships, corporations, associations, or joint venturers awarded a contract by the City of South Bend through its agencies, boards, or commissions shall not discriminate against any employee or applicant for employment in the performance of a City contract with respect to hire, tenure, terms, conditions, or privileges of employment, or any matter directly or indirectly related to employment because of race, sex, religion, color, national origin, ancestry, age, or disability that does not affect that person's ability to perform the work.

In awarding contracts for the purchase of work, labor, services, supplies, equipment, materials, or any combination of the foregoing including, but not limited to, public works contracts awarded under public bidding laws or other contracts in which public bids are not required by law, the City, its agencies, boards, or commissions may consider the Contractor's good faith efforts to obtain participation by those Contractors certified by the State of Indiana as a Minority Business ("MBE") or as a Women's Business

Enterprise ("WBE") as a factor in determining the lowest, responsible, responsive bidder.

In no event shall persons or entities seeking the award of a City contract be required to award a subcontract to an MBE/WBE; however, it may not unlawfully discriminate against said WBE/MBE. A finding of a discriminatory practice by the City's MBE/WBE Utilization Board shall prohibit that person or entity from being awarded a City contract for a period of one (1) year from the date of such determination, and such determination may also be grounds for terminating the contact for which the discriminatory practice or noncompliance pertains.

6. The undersigned contractor agrees that the following nondiscrimination commitment shall be made a part of any contract which it may henceforth enter into with the City of South Bend, Indiana or any of its agencies, boards or commissions.

Contractor agrees not to discriminate against or intimidate any employee or applicant for employment in the performance of this contract with privileges of employment, or any matter directly or indirectly related to employment, because of race, religion, color, sex handicap, national origin or ancestry. Breach of this provision may be regarded as material breach of contract.

I, the undersigned bidder or agent as contractor on a public works project, understand my statutory obligations to the use of steel products or foundry products made in the United States (I.C. 5-16-8-1). I hereby certify that I and all subcontractors employed by me for this project will use steel products or foundry products on this project if awarded. I understand that violations hereunder may result in forfeiture of contractual payments.

(To be completed only by Contractors/Bidders claiming to be a "local Indiana business" pursuant to I.C. 36-1-12-22)

INDIANA LOCAL BUSINESS PREFERENCE CLAIM

A "local Indiana business" refers to any of the following:
(1) A business whose principal place of business is located in an affected county.
(2) A business that pays a majority of its payroll (in dollar volume) to residents of affected counties.
(3) A business that employs residents of affected counties as a majority of its employees.
(4) A business that makes significant capital investments in the affected counties as defined in rules adopted by the political subdivision.
(5) A business that has a substantial positive economic impact on the affected counties as defined by criteria in rules adopted by the political subdivision.

An "affected county" refers to St. Joseph County, Indiana, or the following counties located adjacent to St. Joseph County: Elkhart County, Marshall County, Starke County and LaPorte County

There are the following price preferences for supplies purchased from a local Indiana business:

CITY OF SOUTH BEND
INSTRUCTIONS TO BIDDERS

1. BID FORMS AND EXECUTION

A. Bidders are expected to examine the Drawings, Specifications, Proposal and all Instructions. Failure to do so will be at the Bidder's risk.

B. Each Bidder shall furnish all information required by the Notice, Instructions to Bidders and Specifications. Bids must be made on the form provided. The Bidder shall sign the Proposal and Non-Collusion Affidavit, which is a part of the provided form, where indicated, provide a notary signature and provide all other information required.

C. The Bidder shall sign the Proposal in the following manner: If the Proposal is made by an individual, his/her name and post office address must be shown. If made by a partnership or joint venture, the name and post office address of each member of the partnership or joint venture must be shown. If made by a corporation, the Proposal must be signed by an officer of the corporation or by a representative duly authorized by the corporation to execute the Proposal in its behalf.

2. SEALED BIDS ONLY

A. Bids, Proposals, Guaranty, and other required documents must be submitted in a sealed envelope marked on the outside with the general classification of material Bids, i.e. "Bid for Computer Equipment," "Bid for Front End Loader," or "Bid for Office Supplies."

B. When samples are required, such samples shall be delivered or shipped at the Bidder's expense to the address specified in the Invitation to Bid. Samples must be shipped separately from Bid documents and labeled clearly with the Bidder's name, address and the commodity or equipment classifications and documents, the item (and item number, if any), and Material Safety Data Sheets (if applicable). All samples must be representative of the commodities or equipment which will be supplied by the successful Bidder. All samples will become the property of the City of South Bend and none will be returned, unless otherwise stated in the Specifications.

C. In the event of an inconsistency between provisions of the contract documents, the inconsistency shall be resolved by giving precedence in the following order:

3. ORDER OF PRECEDENCE

A. Bid Form attached Proposal
B. Amendments to Specifications
C. Specifications
D. Special Provision
E. Instructions to Bidders
F. Notice to Bidders

4. DELIVERY OF BIDS

A. Bids must be delivered to the Office of the Board of Public Works, 13th Floor, County-City Building, Room 1316, 227 West Jefferson Boulevard, South Bend, Indiana 46601 (574) 235-9251, by the time specified (local time) in the Notice to Bidders. If not delivered personally, the sealed envelope containing the Bid must be mailed to the following address:

City of South Bend
Clerk of the Board of Public Works
1316 County-City Building
227 West Jefferson Boulevard
South Bend, Indiana 46601

B. The Post Office Department will be considered agent of the Bidder in delivering the Bid. The City will not be responsible for deliveries. Any Bids received after the time specified will be returned unopened.

C. Bids will be opened and read publicly at the time and place designated in the Notice to Bidders. Bidders, their authorized agents, and the public are invited to be present.

D. Bidders may Bid on one (1) or more item, provided however, that the Bid submitted for each is delivered in a separate, sealed envelope, with the envelope clearly labeled on the outside as to the specific item for which the Bid is being submitted. Bidders may submit separate Bid bonds for each item being Bid upon OR may submit one (1) Bid bond equal to 10% of the combined total of all Bids submitted.

E. **The Board may reject any Bid that does not conform to these requirements as non-responsive.**

5. ADDENDA – NO VERBAL INTERPRETATIONS

A. No inquiries by Bidders relative to interpretation of Plans, Specifications, Special Provisions, or other Quoting Documents will be answered verbally. If any prospective Bidder is unable or unwilling to comply with one or more requirements of the Quoting document, such Bidder should so inform the Board of Public Works in writing. Upon receipt of such information, consideration will be given to the advisability of issuing an Addendum which would thereupon become applicable to all Bidders. Any such inquiry must be submitted at least seven (7) days prior to the Bid opening date in order to give the Board sufficient time to consider any necessary Addendum. All answers to such inquiries, in the form of Addenda, will be furnished to all prospective Bidders who have registered with the City. All Bidders are required to acknowledge receipt of any Addenda by inserting the Addendum number and the issuing date on executed Proposals.

6. REJECTION OF PROPOSALS CONTAINING ALTERATION, ERASURES, INCOMPLETE BIDS AND ETC.

A. Proposals shall be rejected if they show any alteration of form, additions not called for, conditional or alternate Bids (except when and insofar as are invited), incomplete Bids, erasures or irregularities of any kinds.

B. All blank spaces for Bid prices must be filled in, in ink, with the unit price and total price for each item (This does not apply to divisible Bids). In case of incorrect totaling of amounts and where the unit price and the extension thereof do not agree, the unit price for each item shall govern, and the City is authorized to correct all erroneous extension and totals for the purpose of comparing Bids.

7. TRADE DISCOUNTS

A. Trade discounts shall not be shown separately, but shall be incorporated in the Bidder's unit price, unless otherwise specified.

8. VEHICLE BIDS

A. Bidders may Bid on one (1) or more vehicles, provided however, that the Bid submitted for each vehicle is delivered in a separate, sealed envelope, by vehicle, with the envelope clearly labeled on Bidders may Bid on one (1) or more vehicles, provided however, that the Bid submitted for each vehicle is delivered in a separate, sealed envelope, by vehicle, with the envelope clearly labeled on the outside as to the specific vehicle for which the Bid is being submitted. Bidders may submit separate Bid bonds for each vehicle being Bid upon OR may submit one (1) Bid bond equal to 10% of the combined total of all vehicle Bids submitted.

9. The Board may reject any Bid that does not conform to these requirements as non-responsive.

10. TAX EXEMPTIONS

A. The City of South Bend is exempt from the payment of federal excise and transportation taxes levied under the provision of the Internal Revenue Code. It is also exempt from the Indiana State Gross Retail Tax (sales tax). The City will furnish the successful Bidder with any certificate of exemption required.

11. WITHDRAWAL OF BIDS
A. Withdrawal of Bids will be allowed only in those cases in which a written request to withdraw a Bid is received by the Board of Public Works prior to the date and hour for receiving and opening Bids. In such cases, the same will be returned to Bidder unopened.

12. ESCALATOR OR CONTINGENT CLAUSES
A. The use of escalator clauses or other contingent clauses by the Bidder is prohibited, unless requested or permitted by the Invitation to Bid. No Proposal shall contain nor be accompanied by any writing purporting to limit or qualify the City's right to accept such Proposal or purporting to alter such Proposal or any Contract which may be executed pursuant thereto.

13. PRICES MUST BE DELIVERED PRICES
A. The Bid price shall be a delivered price. All materials shall be shipped F.O.B. destination as specified in the Invitation to Bid. No fuel surcharges accepted.

14. AWARD – WAIVER OF TECHNICALITIES
A. The Award of Bid, if any award be made, will be made within sixty (60) calendar days after the opening of Proposals to the lowest responsible and responsive Bidder who's Proposal complies with all the requirements prescribed, exclusive of technicalities waived. Until the final award of the Bid, however, the right is reserved by the City to reject any and all Proposals and to waive technical errors.

15. SPLITTING OF AWARDS/DIVISIBLE BIDS
A. Bids will be awarded on the basis of the total dollar amount for all items in the Proposal unless the Bid is described by the City as a Divisible Bid. The City may award a Divisible Bid to the lowest responsible and responsive Bidder for each item or class of items as indicated in the Bid documents.

16. BIDDER QUALIFICATION
A. The City may require any Bidder to submit evidence of qualifications, and may consider any evidence of the financial, technical, and other qualifications and abilities of the Bidder. The City will not award a Contract to a Bidder who, in its opinion, is not fully qualified on the basis of financial resources and responsibility, possession of adequate equipment, personnel, experience, and past record of performance to perform the obligations to be undertaken competently and without delay.

17. PURCHASE ORDERS
A. A Purchase Order will be issued to the successful Bidder after formal acceptance of the Bid is made by the City.

18. NEW MANUFACTURE
A. Unless otherwise specified in the Invitation to Bid, the items offered shall all be new and the latest model of manufacture.

19. SOURCE OF SUPPLY
A. If the Bidder is not a manufacturer, the source of supply must be shown and all sub-contractors must be identified.

20. PACKAGING
A. All items shall be delivered strongly packed and marked according to accepted commercial practice unless otherwise directed in the Specifications. No charge shall be made for containers and the City shall have no obligation to return containers unless otherwise provided by the Specifications or Special Provisions. Any items not received in good condition will be rejected.

21. INSPECTION OF GOODS
A. The City of South Bend reserves the right to inspect and have any goods tested after delivery for compliance with the specifications. Notice of latent defects, which would make the item unfit for the purposes for which they are required, may be given at any time within one year after discovery of the defects.

B. All items rejected must be removed immediately by the Contractor at the expense of the Contractor. If the Contractor fails or refuses to remove the rejected items, they may be sold by the City of South Bend.

C. In some cases, at the discretion of the City, inspection of the commodities or equipment will be made at the factory, plant, or other establishment where they are produced before shipment.

D. The above provision shall not be construed in limitations of any rights the City may have under any laws including the Uniform Commercial Code.

22. ASSIGNMENTS

A. No person to whom a Contract has been awarded may assign his interest in the Contract without the consent, in writing, of the City.

23. CANCELLATION

A. The City of South Bend reserves the right to cancel any Contract for failure or refusal of performance, fraud, deceit, misrepresentation, collusion, conspiracy, or any other misconduct on the part of the Contractor.

24. DEDUCTION OF DAMAGES

A. If the City cancels the contract for any cause, it shall deduct from whatever is owed the Contractor on the Contract or any other Contract, any amount sufficient to compensate the City for any damages suffered by it because of the Contractor's wrongdoing.

25. METHOD OF INVOICING FOR PAYMENT

A. Contractor shall bill the City of South Bend

1. On regular invoice form giving a complete and detailed description of the goods delivered, including purchase order number.

2. If the Contractor allows a discount, the period of time in which the City must make payment to qualify for the discounts shall be computed from the date the City received the invoice (completely filled out), or the date the goods are delivered and accepted, whichever may be later, and shall not be less than twenty (20) days.

3. If more than one shipment is made under the Contract and on the same purchase order, the City will make partial payments on a basis that is agreeable to both parties.

26. OWNERSHIP OF GOODS

A. The goods which are the subject of the Contract shall remain property of the Contractor until delivered to and accepted by the City of South Bend.

27. ESTIMATED QUANTITIES

A. If the quantity set forth in the Notice to Bidders and Proposal is approximate and represents the estimated requirements of the City for a specified period of time, the unit price and the extended total price thereof shall be used only as a basis for the evaluation of Bids. The actual quantities necessary may be more or less than the estimate, but the City shall neither be obligated nor limited to any specific amount. The City will, if at all possible, restrict increases to twenty percent (20%) of the estimated quantity and will, if at all possible, restrict decreases to twenty percent (20%) of the estimated quantity.

28. TERM "OR EQUAL"

A. Where the term "OR EQUAL" is used in these Specifications, the Bidder deviating from specified item shall file with his/her Bid a letter fully explaining and justifying his/her proposed article or equal. The City of South Bend shall be the sole judge in determining if the "OR EQUAL" offered meets the Specifications.

29. INDEMNIFICATION CLAUSE

A. The Contractor agrees to indemnify, defend, and hold harmless the City of South Bend, its agents, officers, and employees from all costs, losses, claims and suits, including court costs, attorney fees, and other expenses, arising from or out of the negligent performance of this

Contract by the Bidder or because of arising out of any defect in the goods, materials or equipment supplied by the Bidder.

NOTE: Incoming mail does not reach the Board of Public Works until after 9:30 a.m. If you are sending your Bid via Federal Express or another overnight source, please confirm that your package will arrive before the Bid opening time and date.
